SUMMARY

Full stack Software Developer with 4+ years of experience. Passionate about creating efficient and user-friendly software solutions. Seeking a role where I can utilize my technical expertise to contribute to the development of cutting-edge applications and contribute to the success of the organization.

EXPERIENCE

Software Developer

eTruckBiz

05/2019 - Present Huntsville

- Develops and maintains the SaaS web application suite clients utilize to manage their fleet, track important metrics, and generate various reports.
- Supports the development of three mobile applications that is part of the SaaS package.
- Consults with clients to gather feedback on current systems.
- Utilizes the latest industry trends on writing clean, efficient code.

Dealership Coordinator

Drivetime Car Dealership

08/2018 - 03/2019 Huntsville

- Ensured vehicle titles were transferred to customers.
- Maintained the cleanliness and organization of the lot.
- Provided light auto-repair when needed.
- Swapped cars from one lot to another without incurring damages.

Manager

Marco's Pizza

05/2014 - 03/2018 Madison

- Provided excellent customer service by taking orders by phone and in person.
- Ensured customer satisfaction by handling complaints in a respectful and timely manner.
- Was responsible for all phases of food preparation, cooking, and delivering the correct order to customers.
- Assisted with managing store inventory: counting inventory and placing food truck, drink, and produce orders.
- Was responsible for opening and closing duties including drawer counts and delivering nightly deposits to the bank.
- Was proficient with all aspects of the POS system.

VOLUNTEERING

Event Helper

Autism Resource Foundation (ARF)

Helps with setup of various events to promote the awareness for autism.
