I am a self-taught full stack Software Developer with 4+ years of experience with a passion for creating efficient and user-friendly software solutions. I am seeking a role where I can utilize my technical expertise to contribute to the development of modern applications and provide value to the organization.

Experience

eTruckBiz   **August 2019 - Present**
Software Developer   Huntsville, AL
🔗 https://www.etruckbiz.com

- Develops and maintains the SaaS web application suite clients utilize to manage their fleet, track important metrics, and generate various reports.
- Supports the development of mobile applications that are a part of the SaaS suite.
- Consults with internal personnel and clients to gather feedback on current systems.
- Utilizes the latest industry trends on writing clean, efficient code.

DriveTime   **August 2018 - March 2019**
Dealership Coordinator   Huntsville, AL

- Ensured vehicle titles were properly filled out and transferred to customers.
- Maintained the cleanliness and organization of the lot.
- Provided light auto-repair when needed.
- Swapped cars from one lot to another without incurring damages.

Marco's Pizza   **May 2015 - March 2018**
Manager   Madison, AL

- Provided excellent customer service by taking orders by phone and in person.
- Ensured customer satisfaction by handling complaints in a respectful and timely manner.
- Was responsible for all phases of food preparation, cooking, and delivering the correct order to customers.
- Assisted with managing store inventory by counting and ordering food, drink, and produce orders.
- Was responsible for opening and closing duties including drawer counts and delivering nightly deposits to the bank.
- Was proficient with all aspects of the POS system.

Volunteering

Autism Resource Foundation   **Present**
Event Helper   Huntsville, AL
🔗 https://www.theautismresourcefoundation.org/

Helps with setup of various events to promote the awareness for autism.
